Welcome

A warm welcome to all competitors, officials, coaches, marshals and spectators to the 2015 Northgate PB Buster.

Our aim six years ago was to establish a well-run, affordable gala, which would become the gala of choice for those seeking to break personal bests and achieve County qualifying times. We must be doing something right as this year we had to close two months early with over 2000 swimmers.

Louise and her gala subcommittee have worked really hard to attract some sponsorship to help us keep the entry charges as low as possible. I am really grateful for the generosity of everyone who has provided sponsorship. Many thanks to Central Food Services, Spartan Trophies, Best in the Country, Whitburn Coffee House AND Bridgnorth Aluminium for their continued support.

A great thank you to all the officials, coaches and pool side volunteers for making this event possible, without your support the event would not be as successful as it has been.

Each year we nominate a charity to support and this year that charity is the International Glaucoma Association. 50% of the raffle money and all of the bucket collection from this weekend's event will go to the trust alongside money raised from next year's Bridgnorth walk.

Swimmers

I hope that you have a great weekend. I am sure that you will get lots of personal bests and that some of you achieve County qualifying times. Most important of all I hope that you have fun and will want to return next year.

Parents

Thank you for supporting your swimmers and this gala. As a parent of a swimmer myself, I am well aware of the huge commitment and dedication required to support your children through the hours and hours of training and galas. I hope you too enjoy the event and want to return next year.

Thank you also to the staff at Wolverhampton Central Baths who have been very supportive and gone out of their way to help us with the organisation.

And finally thank you to all those who have made this gala possible. There is a huge back room staff, many of whom have been meeting weekly for the past couple of months to bring all this together without whom this would not have been possible. They have been truly fantastic.

I would also like to thank David Henderson our lead referee. David has attended all of the PB Busters to date and the club is very grateful for his wisdom and guidance over the last 6 years.

Swimmers
Go and get those PB's!
